

Sarcee Trail / Richmond Road S.W. Interchange Functional Planning Study

You are invited to attend upcoming information sessions.
Please keep this information for future reference.

The City of Calgary is undertaking a study for the Sarcee Trail/Richmond Road S.W. interchange. In late 2016, we sought input on potential designs and priorities for the interchange. We are holding two information sessions to share the results of our evaluation and gather feedback on the recommended plan.

You are invited:

To review the recommended plan and provide your feedback.

Event	Date	Location
Information Session #1	Tuesday, May 30 5 to 8 p.m.	Glamorgan Community Centre Main Hall 4207 41 Ave. S.W.
Information Session #2	Wednesday, May 31 5 to 8 p.m.	Glamorgan Community Centre Main Hall 4207 41 Ave. S.W.

*No RSVP required.

Provide your input online. Opportunities to review and comment on the recommended plan online will be available around the same time as the events listed above.

For more information about the study and upcoming engagement opportunities, visit calgary.ca/sarceerichmond or call 311.
