

Calgary

24-0037046 CRV-33629

Thank you Discovery Ridge residents for your commitment to following the Bear Smart best practices for residential waste management. The temporary 'wildlife affected' area designation under the Waste Bylaw 4M2020 has now been lifted.

We would like to take this opportunity to express our appreciation for your ongoing support in making Discovery Ridge a safer neighbourhood. By continuing to follow these guidelines, we can support a harmonious coexistence with our natural surroundings.

**For additional information and resources, please visit [calgary.ca/bearsmart](https://calgary.ca/bearsmart)**

**Thank you once again for your commitment.**
