TO Honourable Mike Ellis, ECA **DATE** JUL 16 2026
MLA for Calgary-West
404 Legislature Building **TELEPHONE** 780-427-2080

SUBJECT **WEST CALGARY RING ROAD NOISE ANALYSIS AND MITIGATION
INITIATIVE – INFORMATION SESSIONS, JULY 29 AND 30, 2026**

Transportation and Economic Corridors is hosting two community information sessions to provide residents of Discovery Ridge, Springbank Hill, and the Slopes with an update on the ongoing noise analysis and mitigation initiative, as well as provide an opportunity to share feedback.

A public information session for residents of Discovery Ridge and Springbank Hill will be held on July 29, 2026, from 5:30 p.m. to 7:30 p.m. A public information session for residents of the Slopes will be held on July 30, 2026, from 5:30 p.m. to 7:30 p.m.

Both events will be held in the Panorama Room, Four Points by Sheraton Calgary West (8220 Bowridge Crescent NW).

These invitation-only sessions are limited to residents of the respective communities and will follow a free-roam format, allowing attendees to review information displays, speak directly with project and technical representatives, ask questions, and share their perspectives on noise-related concerns and the initiative's ongoing work.

As a longstanding advocate for constituents affected by transportation noise, I would be pleased to welcome you and members of your team to attend.

Please contact my office if you have any questions.

Honourable Devin Dreeshen, ECA
